

Use of the typeface

Movement is an experimental typeface family that can be downloaded and used for free by anyone in any media. It is under the Creative Commons license CC BY-ND 4.0, which allows you to use the typeface for free, as long as the name of the author is credited and the user does not modify the design in any way.

Options for crediting the author when using the typeface:

Long version:

Movement, the typeface used here, was created by María Ramos and Noel Pretorius (NM type) in collaboration with Design Indaba in February of 2019.

Short version:

Movement, by NM type & Design Indaba 2019.
